

## **Handy Person Job Description**

### **Who we are?**

Rendall & Rittner are an established, award winning and accredited, Residential Leasehold Property Management company, delivering outstanding management to our clients and lessees nationwide.

Rendall & Rittner is a place where hard work is acknowledged and rewarded, where development is nurtured and supported, where values are never compromised and where success is celebrated.

### **Every great Rendall & Rittner experience needs great people!**

### **What makes a successful Handyperson at Rendall & Rittner?**

- you'll be an expert in resolving maintenance issues and will have the ability to carry out a variety of maintenance related tasks .
- you'll be someone who cares passionately about creating a positive, clean, and safe environment for residents, guests, and your team.
- You'll have a great eye for detail and experience carrying out regular development inspections and being the first point of contact for all maintenance enquiries (externally and internally).
- you'll be a true expert in customer service, who uses this to engage, communicate and inspire others.
- you'll have an understanding of Health and Safety processes at a residential development.
- your team matters to you, you support them, work together, and build strong working relationships with residents, guests, and external contractors.

### **Working with Rendall & Rittner is more than a job, its a career!**

### **As a Handyperson at Rendall and Rittner, you'll receive**

- Support with your career development aspirations offering fully funded training programmes
- Exclusive savings on entertainment, travel, shopping, restaurants and health and fitness
- Competitive salary and Discretionary Bonuses
- Team Uniform\*

- 20 days holiday plus national holiday days
- Employee referral scheme
- Enrolment into the Rendall & Rittner Pension scheme
- EAP to support on matters such as Family, Health, Money, and Work

.....and so much more!
